

Waste separating instructions

PAPER

- Folders (without metal)
- Egg cartons
- Facsimile paper
- Notebooks/exercise books (without plastic cover)
- Magazines
- Cardboard
- Catalogues (without the plastic envelope)
- Copying paper
- Fruit trays (if made of cardboard)
- Paper towels (clean)
- Paper bags
- Paper carrier bags
- Paper packaging (coated – labelled “fold and dispose of with waste paper”)
- Cardboard boxes
- Frozen foods packaging
- Corrugated cardboard
- Advertising materials (without plastic envelope)
- Newspapers, newsprint, journals

LIGHTWEIGHT PACKAGING

- Bottles, flasks (if made of plastic)
- Beverage bottles (made of plastic, disposable)
- Plastic bottles (disposable)
- Fruit carrier nets (made of plastic, cotton)
- PET beverage bottles (disposable)

CLEAR GLASS

- Clear bottles, flasks, flacons (if made of glass)
- Clear glass bottles (disposable)
- Clear gherkin jars
- Clear storage jars
- Clear cosmetics packaging, clear cosmetics flasks (if made of glass)
- Clear jam jars
- Rex glasses

Please make sure that ONLY clear glass goes in the clear-glass bin! Just one single green bottle is enough to give 500 kg of glass a green tint!

STAINED GLASS

- Stained glass
- Coloured bottles, flasks, flacons (if made of glass)
- Coloured glass bottles (disposable)
- Coloured gherkin jars
- Coloured storage jars
- Coloured cosmetics packaging, clear cosmetics flasks (if made of glass)
- Clear jam jars
- Rex glasses
- Coloured cosmetics packaging, coloured cosmetics flasks (if made of glass)
- Coloured medicine bottles

Please make sure that ONLY coloured glass goes in the coloured-glass bin! Mistakenly inserted clear glass in the coloured glass bin reduces the colour intensity of the recycled bottle, ruling out its use as a light-protected medicine bottle!

BIOLOGICAL WASTE

- Branches
- Banana skins
- Pruned twigs (shredded)
- Flowers, flower wastes
- Eggshells
- Windfall
- Garden waste
- Hedge trimmings
- Hay
- Coffee filters (with coffee dregs)
- Coffee grounds, coffee dregs
- Kitchen waste
- Kitchen rolls, kitchen paper (dirty)
- Fallen leaves
- Fruit and vegetable waste
- Orange peels
- Lawn cuttings
- Brushwood (shredded)
- Bark
- Shrub cuttings
- Teabags, tea filters
- Indoor plants
- Citrus fruit
- Sprigs

RESIDUAL WASTE

- Taraulins
- Cold ash (coal, coke)
- Nappies (diapers)
- Blister packaging
- Flowerpots
- Cellophane packaging
- Buckets (household buckets, but not buckets for packaging)
- Disposable knives, forks and spoons (if made of plastic)
- Leftover food
- Bottles, flasks, flacons (if made of ceramic)
- Meat, meat leftovers
- Foils and sheets (packaging)
- Photographs
